## Kantor & Kantor, LLP Partner Michelle L. Roberts Has Been Selected to the 2020 Northern California Super Lawyers List

Kantor & Kantor, LLP, one of the most experienced law firms in the nation dealing with litigating insurance claims against insurance companies, is proud that once again Partner Michelle L. Roberts has been selected to the 2020 Northern California Super Lawyers list. Michelle joins her Southern California partners Lisa and Glenn Kantor, along with Alan Kassan, Corinne Chandler, and Brent Dorian Brehm.

In addition, Michelle has once again been named to both the [Top 100](#) Northern California Super Lawyers and the [Top 50](#) Women Super Lawyers lists.

Michelle Roberts continues to be a successful advocate for disabled individuals and employees, specializing in claims for benefits under the Employee Retirement Income Security Act (ERISA), specifically claims for disability benefits. She has helped numerous clients obtain short and long-term disability benefits from insurance companies that had wrongfully denied their claims.

Michelle is a member of the Executive Committee of the Northern District of California Chapter of the Federal Bar Association. She served as President in 2018 and had held an officer position within the organization each year since 2014. She is a member of the 2019-2020 Federal Bar Association Audit Committee. She has also been appointed to a three-year term as a Lawyer Representative to the Ninth Circuit Judicial Council (2019-2021). She served as Co-Chair of the Lawyer Representatives for 2020. She serves on the Board of Senior Editors of the ABA Employee Benefits Law book. She is the Tort Trial and Insurance Practice (TIPS) Vice-Chair to the Employee Benefits General Committee (2019-2020).

Each year, no more than five percent of the lawyers in Northern California are selected by Super Lawyers. Super Lawyers, part of Thomson Reuters, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive, and diverse listing of exceptional attorneys.

The Super Lawyers lists are published nationwide in Super Lawyers Magazines and in leading city and regional magazines and newspapers across the country. Super Lawyers Magazines also feature editorial profiles of attorneys who embody excellence in their practice of law.
