Kantor & Kantor Partner Cari M. Schwartz Accepted into Triage Cancer's Legal Advisory Council

For Immediate Release

Northridge, California

May 17, 2022

Cari M. Schwartz has been and is, currently, involved with many non-profit organizations that focus on healthcare needs of people across the country. As a Partner Attorney at Kantor & Kantor, LLP, it is her passion to bring education about patient's rights, maximizing health insurance benefits, how to handle health insurance claims, and represent individuals who have had their health insurance claims wrongfully denied.

It was, then, an easy decision for Mrs. Schwartz to look towards a reputable non-profit organization such as Triage Cancer in order to seek acceptance onto their Legal Advisory Council. So, it was a great honor at **Kantor & Kantor** to have her accepted onto this prestigious organization's council in August of 2021! Since that time, the partnership has deepened because of her engaging and supportive efforts, including sponsorship for their 2022 Conferences.

"I was excited and honored to join Triage Cancer's Legal Advisory Council and have the opportunity to collaborate and partner with thought leaders and trail blazers in the cancer community. Over the past 10 years Triage Cancer has filled a gap in the cancer community by providing free education and advocacy for people affected by a

cancer diagnosis. My entire legal career has been focused on helping people and that is exactly what Triage Cancer does for people every day." said Mrs. Schwartz.

Triage Cancer is a national, nonprofit organization that provides free education on the legal and practical issues that may impact individuals diagnosed with cancer and their caregivers, through **events**, **materials**, and **resources**. Their Legal Advisory Council is made up of leaders in the legal community who have a connection to the cancer community and are interested in our work, and/or lawyers who have subject matter expertise that pertains to the legal issues often faced by those in the cancer community.

"We are very pleased to have Cari Schwartz join our Legal Advisory Council, and bring her expertise and the expertise of the Kantor & Kantor team to the table, to support the cancer community in navigating the plethora of legal and practical issues that often accompany a cancer diagnosis." said Joanna Fawzy Morales, Esq., CEO, Triage Cancer.
