COVID-19 law firm news:

During the pandemic, our law firm remained operational and fully committed to the needs of our staff and clients. With respect to the various office's located within California, Nevada, Oregon, and Washington, we have re-opened only the main home office in Northridge open, with limited staff onsite.

Our primary concerns have, and will always be, the health and safety of our clients, their families and our staff and their families. However, we wanted to keep you informed of what we are doing, how to reach us effectively and where to send important documents.

Business hours remain the same, Monday through Friday, 8:30am to 5:00pm. Most of our staff work remotely and can be easily contacted via email or a phone call. Please call our main telephone number at **818-886-2525** and our receptionist will connect you if you do not have their contact details.

Consultations:

Consultations are offered either virtually or over the phone. You can request one on our website: www.kantorlaw.net using the "contact us" form or call into one of our office locations as all calls are re-directed to our intake team or to our receptionist in Northridge.
