Andrew Kantor Has Been Selected to the 2021 Southern California Rising Stars List, Marking his Third Consecutive Year

Kantor & Kantor, LLP, one of the most experienced law firms in the nation dealing with litigating insurance claims against insurance companies, is proud that once again Andrew Kantor has been selected to the 2021 Southern California Rising Stars list.

Each year, no more than 2.5 percent of the lawyers in the state are selected by the research team at Super Lawyers to receive this honor.

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive, and diverse listing of exceptional attorneys.

Andrew continues to focus his energy on helping individuals who suffer from chronic illnesses such as Sjogren's, Fibromyalgia, and Chronic Fatigue Symptoms (ME/CFS) get the long-term disability benefits they deserve. In 2020 Andrew was accepted to serve on the Community Advisory Council of the Solve ME/CFS Initiative.

The Super Lawyers lists are published nationwide in *Super Lawyers Magazines* and in leading city and regional magazines and newspapers across the country. *Super Lawyers Magazines* also feature editorial profiles of attorneys who embody excellence in the practice of law.
