## **Kantor & Kantor, LLP Expands to Washington and Oregon with the Addition of Stacy Monahan Tucker**

Kantor & Kantor, LLP is pleased to welcome Stacy Monahan Tucker as Of Counsel.

"Kantor & Kantor's roots are in California and the addition of Stacy allows the firm to branch out into the Pacific Northwest. We have long wanted to bring to Washington and Oregon our experience and expertise helping people get their insurance claims paid," said Founding Partner Glenn Kantor. "We are very lucky that Stacy joined the firm and with her addition we will be able to do so."

Admitted to practice before all state and federal courts in California, Nevada, Arizona, Oregon and Washington, including the Ninth Circuit Court of Appeals and the U.S. Supreme Court, Stacy Monahan Tucker brings nearly two decades of legal experience to Kantor & Kantor, LLP.

Ms. Tucker's areas of expertise include ERISA disability benefits and health care litigation, insurance coverage and bad faith litigation, and state and federal government investigations. Ms. Tucker has won appeals before the Court of Appeals for the Sixth, Seventh, Eighth, and Ninth Circuits.

Ms. Tucker has long been active in her community. She represented indigent individuals at her local Legal Aid office, volunteered to provide legal representation to area refugees, and supported the Bellevue Lifespring organization – which helps settle local refugee families. Her exceptional reputation provided her with the honor of speaking at the International Disability Insurance Society on ways for insurance agents to assist their clients in perfecting claims and at the International Claims Association on pitfalls in disability claims.

"I am delighted to be partnering with the impressive team at Kantor & Kantor. I look forward to using my background in insurance to help those who need it most and to offer that help throughout the Ninth Circuit," said Ms. Tucker.
