

Kantor & Kantor Welcomes Five Senior Partners to Lead Firm Forward

This redefined Senior Partner structure ensures that every major department in our firm has dedicated leadership to drive growth, innovation, and excellence.

Honoring Glenn & Lisa's Legacy

This transition also sets the stage for Founding Partners Glenn R. Kantor and Lisa S. Kantor to begin their gradual retirement in 2026. Both will remain actively involved, continuing to mentor and guide our team.

We are grateful to Glenn and Lisa for the incredible foundation they built, and we are confident that our new Senior Partners will carry that legacy forward for decades to come.
